The Good News Garage is the 501(c)(3) charitable non-profit organization which benefitted from our most recent Hoofbeats on the Horizon program, held at Riverfare Farms, LLC, in Webster, NH. The Good News Garage is a "one of a kind" program in New Hampshire, for they are the only organization in the state that takes donated vehicles, fixes them up, then gets them to low-income people in need of transportation so that they can get to work, job interviews, doctor's appointments and more.
